

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Joanne Sturges, Acting Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Chief Administrative Officer
County Counsel

At its meeting held March 14, 2006, the Board took the following action:

60-A

Supervisor Antonovich made the following statement:

“According to recent reports, badges, Department photo identification cards and official name tags have been issued by the Los Angeles County Sheriff’s Department to a number of civilian volunteers. The reports further list examples of how these items have led to special favors or allowed access to secure areas which the recipients would have otherwise been denied. Because of the Hillside Strangler case, the Board passed an ordinance in April of 1980 relative to the issuance of badges which may require review now.”

Therefore, on motion of Supervisor Antonovich, and by common consent, there being no objection (Supervisor Molina being absent), the Chief Administrative Officer and County Counsel were instructed to review the County’s existing codes, and the Sheriff’s Department’s current practices when issuing badges and Department photo identification cards to civilian volunteers, and report back with findings and recommendations within two weeks.
